SkirtMyPump Slip

The SkirtMyPump slip was created by a Type 1 Diabetic woman who grew frustrated with where to wear her insulin pump when she wore skirts and dresses. The patented slip has an innovative pocket, with three openings, allowing for an insulin pump, or other medical device to be worn safely and comfortably, yet accessibly under any skirt or dress.

Although it was designed for sure a purpose, it is now also being used by travelers worldwide who wear skirts and dresses and want to keep their passports safely on them, concealed at all times.

Kilinga Bacanora

Mother's Day is all about family which is why Kilinga Bacanora is a unique choice to celebrate mom. Kilinga is a single-estate, family-owned Bacanora distillery in Álamos, Sonora, Mexico that is accredited for being the first to bring this unique agave spirit, which has been enjoyed for over 300 years in Mexico, to the United States. Kilinga was also distinguished with Mexico's second authentic Bacanora designation, licensed by the official Consejo Sonorense Regulador del Bacanora (DO).

Agave: 7-9 Year Old Angustifolia Pacifica (Haw)

Agave Angustifolia Haw, Wild 7-8 Years. Young, green agave plants give Silvestre the lightness of a springtime bouquet. On the nose, expect subtle floral and herbal notes. While the palate carries wildflowers, citrus, and the tartness of a green apple pie, with a gentle violet finish that does not linger on the palate.

When to Enjoy: As an aperitif or while dining al fresco. Versatile enough for both sipping, or mixing into traditional 'white spirit' cocktails.

Pairs Well With: Fresh seafood, lighter fare, poultry, and salads for a unique taste experience, try adding a splash to oysters and scallops.

MSRP: \$54.99

Coconut Mint Formula Pulling Oil

Pulling Oil is a safe and natural alternative to conventional mouthwash. It is based in Ayurveda, an ancient Indian holistic healing system more than 3,000 years old. Oil pulling, the practice of using pulling oil, involves swishing specially blended oil in your mouth to remove bacteria and promote oral hygiene, and create fresh breath, happy gums, and a brighter smile.

Sometimes, simple is best. Coconut Mint Formula Pulling Oil contains only two ingredients: smooth MCT liquid coconut oil and 100% pure and natural peppermint essential oil sustainably harvested from Washington State. All-natural oral health has never been easier or tasted better.

Ponti's Rich & Creamy Gift Set

Give the gift of flavor to the Mom in your life! Ponti's Rich & Creamy Gift Set is the perfect gift for anyone who loves to cook, or just loves food! Each Condiment is all natural, unique and delicious; and imported from Italy!

Gift Trio Includes:

Cherry Vinegar Condiment: Ponti's Rich and Creamy Cherry Condiment is made from the careful and skillful blending of aromatic grape musts, fine Apple Cider Vinegar and fragrant cherry juice. Smooth and rounded, with a cherry jam flavor. Ideal on ice-cream and panna cotta. Refines meat, adding a velvety sweet and sour note to every dish.

Italian Truffle Vinegar Condiment: Ponti's Rich and Creamy Truffle Condiment is made from the unique combination of cooked grape must, Ponti brand vinegar and precious black truffles. It has a sophisticated, full bodied, round flavor with a velvety texture and hints of mushroom and truffle. Try a drizzle on french fries; finished egg dishes, cheesy pasta, risotto, or even grilled meats.

Balsamic Vinegar of Modena: Rich & Creamy Balsamic Vinegar of Modena is well balanced and persistent on the nose, with typical aromas and scents of cooked must. With a full-bodied and silky texture, the harmonious sweet and sour taste has tamarind and plum jam undertones. Ideal on grilled meats, aged cheeses, risotto dishes and vanilla ice cream. Perfect drizzle for braised meats or greens; fruit salads and even cocktails, sparkling wine or sparkling water.

air up®

air up® is a hydration tool and the world's first scent-infused drinking system, designed to inspire consumers to drink more water via a personalized and flavorful hydration experience. air up® transforms plain water into a flavorful beverage using retronasal olfaction. According to the National Institute of Deafness and Other Communication, up to 80% of what we perceive as flavor is derived from smell. When you sip from the air up® bottle, the brain interprets the aroma emitted by the flavor pods as flavor.

Scentaste™ is what transforms the taste of plain water into a flavorful beverage. Because everyone has a different sense of taste and smell, flavor intensity will vary.

Hydration is one of the most important things for your mental and physical health and can drastically change how you feel. air up® makes a great Mother's Day gift to help the most important women in your life solidify hydration habits and improve their wellbeing.

Confetti Snacks

Confetti Snacks is a new line of veggie chips that ditch the deep fryer but deliver nutrients, crunch, color and flavor galore by up cycling “ugly vegetables.” These chips are minimally processed and never deep-fried, like other veggie chips and extruded “puff” style snacks. Because they are baked using a low heat method, the nutrients – and the beautiful colors of the carrots, radishes, purple sweet potatoes and mushrooms in the mix – remain vibrant. But it’s not just about delivering health dividends and looking good. Confetti Snacks are infused with authentic spices and flavors. Veggie chip flavors include Green Curry, Tandoori Curry, Teriyaki BBQ and Summer Truffle. Mushroom chip flavors include Green Curry, Tandoori Curry and Black Truffle.

Michele Foods Syrup Gift Box

Every Mom & Grandmother will love brunch in a box from Michele Foods. The 40th Anniversary Gift Box features Gourmet Maple Creme and Butter Pecan syrups along with Michele's Gourmet Buttermilk Pancake and Waffle Mix. National treasure and Michele Foods founder Michele Hoskins is the heart and soul of the brand and the real "Mother of Syrup". Hoskin's great-great-great grandmother, America Washington, was a freed slave who developed a recipe for syrup out of churned butter, honey and cream as an alternative to molasses. This recipe is used today in the brand's stand-out line, making it a "sweet family legacy in a bottle."

Handwoven Kente Cloth Clutch Bag

For the mom who wants to reconnect with her African heritage, a handwoven Kente cloth clutch bag shimmers with golden threads. Designed in America, made in Accra, Ghana the city known as the Capital of Cool according to The New York Times, this clutch bag coordinates with the fashion collection from Fort Mosé 1738. Named for the first black community in America, a Spanish Fort in St Augustine, Florida, the name speaks to the freedom found by former slaves more than 100 years before Juneteenth.

Mom will appreciate the colorful fabric and the easy-to-use size of this pretty bag that's as perfect for Mother's Day brunch with the family as it is for date night with Dad. Authentic. Sophisticated. Modern. Chic. What more could Mom want? Help her choose an outfit to coordinate from the Spring 2024 Fort Mosé 1738 fashion collection. You'll find shimmering pantsuits, day-into-evening dresses in luxurious handwoven Kente, and casual, brightly colored jumpsuits (with matching bucket hats) in boldly printed 100% cotton. All a beautiful tribute to the colors and textures of Africa.

Bike Tow Leash

Don't worry dog moms, we've got you covered too! If you have an energetic dog, going for walks might not be enough exercise for them. Bike riding with your dog is a great way to get their energy out in just 15 minutes versus an hour-and-a-half walk. However, when biking, it can also mean the potential for injury. Bike Tow Leash solves this problem by keeping safety in mind and is the only American Pet Association Approved dog biking attachment on the market.

A durable pre-assembled Bike Tow Leash with a smart arm automatically provides a loose leash reward for the correct position beside you while communicating direction and speed changes. The Standard Clamp fits the bike's left side and the single sprocket on the right. Prevents tipping, tangling, and steering sideways through unique design that considers the laws of physics.
