ResQ Jewelry

Feel safer when walking to or from your car after dark, whether you're visiting a holiday market with friends or dining at a holiday-themed restaurant. At first glance, ResQ Jewelry looks like any other necklace or bracelet. However, hidden inside is advanced smart technology that pairs seamlessly with the ResQ app on a smartphone (within Bluetooth range, up to 100 meters). The jewelry only tracks the user's location when activated, preserving privacy until help is needed.

Key Product Details:

- One-touch emergency alerts: Activate help discreetly and quickly
- Live GPS tracking: Sends your real-time location to chosen contacts
- Audible or silent alarm: Choose based on your situation
- Silent SOS (One Click): Sends a discreet distress signal with GPS location to up to 10 trusted contacts and, depending on the smartphone model, includes background audio.
- Loud Alarm + 911 (Two Clicks): Triggers a loud audible alarm, sends alerts to emergency contacts, and contacts 911 directly with your location. If the call isn't answered, emergency services are still dispatched. A 911 operator remains on the line until safety is confirmed.
- Background voice recording: Captures audio during an alert
- Discreet design: Blends into your look while staying ready to use

The Hustle(R) That Changed The Game

For the sports lover in your life! Treat them to the real, raw behind the scenes story of “Myron Piggie: The Hustle(r) That Changed the Game.” From the streets of Kansas City to the national stage, MYRON PIGGIE: THE HUSTLE(R) THAT CHANGED THE GAME tells the raw, untold, true life story of the man who helped shape modern AAU basketball, and paid the price for being ahead of his time.

Piggie built one of the most influential grassroots basketball teams in the country, guiding the careers of future stars like Earl Watson, a 13-year NBA veteran and former Head Coach of the Phoenix Suns, Corey Maggette, a 14-year NBA veteran and Duke standout, and JaRon Rush, 1998 McDonald’s All-American and UCLA Bruin. These weren’t just players, they were proof of what happens when belief, opportunity, and raw talent meet a man dedicated to helping them realize their dreams.

Written by Michael Watson, one of Piggie’s former players and a Missouri Sports Hall of Famer, this book takes readers deep into the culture of AAU basketball, ambition, and redemption. It’s a story of loyalty and betrayal, power and perseverance, and the lasting legacy of a man who changed the game, and became a scapegoat in the process.
